16 Well-Accessorized Living Rooms

Details are everything in these spaces, where the interior designers knew that a bold area rug, sumptuous upholstery or striking artwork would take a living room to the next level.

For a 19th-century townhouse in London, [Achille Salvagni](#) tailored-made a sophisticated space using luxe materials like Loro Piana velvet on the sofas, Zoffany wall coverings and a Gris Pulpis marble mantle. Salvagni put his stamp on the room with his own [Spider chandelier](#), Hercules floor lamps and a pair of custom cabinets that flank the fireplace.
